	TOTAL		

Teacher comments on new CDs with hyperlinked simulations:

- 'The new CDs are a brilliant teaching tool for all Science and Maths teachers!'
- 'The interactive simulations make my lessons really come alive for my learners!'
- 'I expect the marks of my learners to really improve further, now.'
- 'The interactive simulations have made a huge difference to this wonderful teaching tool!'
- 'With up to 50% of all learners being visual learners – this is a fantastic tool for my daily teaching!'

Learner comments on new CDs:

- 'The interactive simulations have made a big difference to my understanding of difficult concepts'
- 'I seldom forget simulations that I have seen. Now the PowerPoint slides make so much more sense.'
- 'The wonderful simulations are a fantastic help with my understanding. Wish all subjects were like this!'

How to order:

1. Identify the discs that you require to enable you to become a good student
2. Complete this order form in black ink and in block capitals
3. Deposit the total cost of the order into our Bank Account (see above for details)
4. Fax us your order and proof of payment to 021 413 0112 ASAP
5. Order 2 or more CDs and we will send overnight to your nearest Post Office
6. Otherwise we will post your order within 24 hours. It will take up to 10 working days to arrive
